**MICHIGAN DEPARTMENT OF TRANSPORTATION
Design-Build Project**

**GROSSE ILE BRIDGE
PHASE I PROJECT**

**Job Number: 203623
Federal Project Number:1801105**

**Request For Proposal
May 10, 2019
Original Issue**

Index of Reference Information Documents

MDOT has provided preliminary information to Submitter for the purpose of defining certain aspects of the Project in the Reference Information Documents (RID) to the Submitter. The Submitter has no right to rely on the RID. MDOT and the Submitter both intend for the Submitter to assume full responsibility and liability with respect to the design of the Project, including correction of any Errors in the preliminary design or RID, and MDOT and the Submitter both intend for Submitter to indemnify and hold harmless MDOT and others with respect to any defects in the Project which may relate to Errors in the preliminary design or RID.
